MARLIE BLUE LIFE LESSONS

My little lesson

A Little Marlin with a Big Dream

Be brave

Choose one little activity, then add a sticker or color its circle.

My name: _____

I tried one little thing.

Try a new puzzle, a new word, or a little hop.

I asked for help.

Say, "Will you help me?" We can try together.

I cheered for someone.

Tell a friend or grown-up, "You can try!"

A little chat together

What little thing would you like to try next?

For grown-ups: Celebrate the try, even when it is tricky. Asking for help is brave, too.

Big things begin with one little try.
