MARLIE BLUE LIFE LESSONS

My little lesson

Marlie Blue and the Little Idea

Start small

Choose one little activity, then add a sticker or color its circle.

My name: _____

I noticed a little need.

Ask, "What could make our day a little easier?"

I made one little thing.

Draw a sign, build a block bridge, or make a card.

I shared my idea.

Show someone. Ask, "What could we try next?"

A little chat together

What would you like to make with your own little idea?

For grown-ups: Let your child choose and make. A small, imperfect first try counts.

One little idea can be a lovely beginning.
